To the Government of His

Highness the Maharaja of Mysore,

BANGALORE.

Petition No. of 1930-1931.

PETITIONER:--

Mathada Krishnappa, residing at Kariyannana Palya, Kacharakana Halli - Dakhale, Kasaba Hobli, Bangalore Taluk.

The Petitioner abovenamed most humbly begs to state as follows:--

1. The petitioner applied to the Amildar of Bangalore City for a grant of Inam land bearing S. N.68 belonging to - Kacharakanahalli Village in Bangalore Taluk in order to raise a chatram, a temple and a well for the benefit of the public. The residents of the village and also the Jodidars most heartily co-operated in this - attempt and signified their consent by - joining with the petitioner in his application.

2. Since the said land belonged to Sree Channakeshavaswami Temple the amildar felt constrained to recommend the grant of the land free of all cost to the petitioner.

3.

3. The land has been yielding Rs.20/- per year by way of Gutta and it is being used for the benefit of the temple. In order to recompense the temple to the extent of the profits realisable from the land the petitioner has already deposited Rs.600½- with the Amildar in order to secure a fixed annual profit to the temple.

4. This sum of Rs.600/- ordinarily yields Rs.30/- per year by way of interest. If the benigh Government is so pleased interest may be ordered to be paid at 6% so as to raise the annual yield to Rs.36/-.

5. The petitioner has never desired to derive any personal advantage out of this transaction, and has voluntarily and wholeheartedly offered to spend thousands of Rupees for a charitable purpose.

6. But the petitioner has been anxious to make suitable arrangements for the efficient management of the charity. With this end in view he offered to be in charge of the management during his lifetime and he proposed that he may be permitted to submit a scheme of management for the future management, subject to the general supervision and control of the Government.

7. The order passed by the Deputy Commissioner

Commissioner of Bangalore District and the Mutchalika obtained from the petitioner by the Amildar are apparently quite innocuous. Relying upon the verbal assurances of the Amildar and upon a fair construction of the order of the Deputy Commissioner the petitioner had no mis-givings in the matter and he started construction work and has sunk a well at a cost of Rs.1,000/-. He was making further attempts to begin the construction of the main buildings and temple.

8. At this juncture the Amildar served an endorsement on the petitioner stating that the construction should be completed within six months, and virtually meaning that the entire structure ought to be placed at the disposal of the Government.

9. While affirming that the petitioner does not desire to have any interest in the land or the structure, the petitioner begs to submit that in the interests of the - charities he ought to be permitted to be in sole charge of it during his life time and to nominate some responsible trustees or dharmadarsees to carry on the work in future - subject to the supervision and control of - the Government.

10. The endorsement as it stands cuts

at

at the root of this ambition of the petitioner and the petitioner is alarmed that his hands will be tied the moment six months expire from the date of the endorsement.

11. This is obviously ~~impair~~ unfair to the petitioner and he fully hopes that it is not the intention of the Government either to deprive the petitioner of all control over or interest in the charities under reference.

12. Copies of the petitioner's application, the order of the Deupty Commissioner, the Mutchalika of the petitioner and the Amildar's endorsement are submitted herewith for kind perusal. These copies are true copies of the originals, though they are not certified as being such. These documents will substantiate the above statements of the petitioner.

W H E R E F O R E the Petitioner most humbly prays that you may be graciously pleased to make necessary directions so as to safeguard the interest of the petitioner and to fulfil his long cherished ambition.

For

For this act of kindness the petitioner will be for ever grateful to you.

ಆಜ್ಞೆಯಂತೆ ನಡೆದುಕೊಳ್ಳುವೆನು

SIR,

I have the honor to submit herewith a petition presented to me by Mr. Nathada Krishnappa residing at Kariyammanapalya in the -- Bangalore Taluk, praying among other matters, that sanction may be accorded for the construction of a temple a chattram and a well at the ~~mukkix~~ place for the benefit of the public.

2. The petition of Mr. Krishnappa sets forth in sufficient -- detail his prayers and the conditions attaching to the charities -- proposed to be established by him.

3 Dry S.No.88 of Kacharakanahalli village, Bangalore Taluk, measuring 2 acres 7 guntes and assessed at Rs.3- -0 is one of the ~~xxxx~~ inams belonging to the temple of Sri Chennakesavaswami at the place. It is being leased out at present/and an income varying - fetches from Rs.10/- to Rs.15/- per annum to the temple. In its present condition any additional income does not seem to be possible. The petitioner wants it is entire area to be given to him for the construction of the charitable buildings for raising some trees etc., and making use of the usufruct of the land for the benefit of the temple and chattram he proposes to build thereon. To compensate for the loss of income to the Channakesava swami temple to which the land belongs he has deposited a sum of Rs.600/- with the Bangalore City Municipality which will ~~xxxxxx~~ give ~~in~~ an income of at least Rs.30 a year if invested either in fixed deposit or in State Promissory Notes.

will give an income a of at least Rs. 30/- a year if invested either in Fixed Deposit or in State Loan Bonds. The income so derived will be more than double the income the temple gets now from the land. As the objects for which this land is wanted by the petitioner are very laudable ones and he wishes to spend large sums of money on the construction of a chattram for travellers and a temple on this roadside number, the Deputy Commissioner had granted permission to him to construct the buildings and the well provided the works are finished within 6 months from the date of the order and handed over to Government for management.

4. The petitioner now prays for an extension of time and for a modification of the conditions attaching to the future management of the charities. He requests that he should be given the sole managership during his life-time and that after him the management may be vested in a responsible committee to be nominated by Government, one o of the members being his legal representative.

5. In view of the interest evinced by the petitioner in his charitable act, I beg to recommend that permission may be sanctioned to him to construct within 2 years a temple, chattram and other works as proposed by him on the said Survey No. on the terms of his representation. The land S. No. 88 will be enjoyed in perpetuity in interests of the institutions that will spring upon the number and the amount of Rs. 600/- tendered by him will be deposited in the new loan on behalf of the Chennakesavaswami temple to which this land is an Inam. The institutions which he proposes to bring into existence will be in his management during his life time and after there after they will vest in a committee of Dharmadarsis to be appointed by Government, one of whom will be a descendent of his. I request that early sanction of Government may be obtained in the matter."
